

Rust Away

Rust Remover

Product # 344

Rust Away is the safe and effective way to remove rust from metal without scrubbing. Will not harm surfaces including rubber, plastic, vinyl, PVC, aluminum, copper, and brass. The pH neutral formula is non-toxic, biodegradable, and non-flammable.

Simply clean rusty items to remove dirt and oils before submerging object in the liquid. Rust severity will determine soak time which can range from hours to overnight for stubborn deposits.

Objects treated with Rust Away can be towel dried or air dried and will resist flash rusting for weeks.

Use For:

- Rust removal
- Parts prepping
- Preventing flash rusting

Features and Benefits

- Inhibits flash rusting for weeks after treatment
- Biodegradable
- Neutral pH
- Non-Toxic
- No VOC's
- Non-Corrosive

Properties

Appearance.....	Clear, colorless liquid
Fragrance.....	Mild
Specific Gravity.....	1.07 g/mL
pH.....	7.4
VOC Content.....	0.0% by Wt.

Directions *Complete directions on product label*

Remove loose rust deposits and clean surface thoroughly to remove dirt, oil, and grease.

Fully submerge parts to be cleaned in Rust Away and check periodically. Time to remove rust can vary depending on severity of deposits and can range from hours to overnight.

Once rust is removed, rinse object in water and towel dry or air dry.

Rust Away can be re-used until the solution is no longer active at removing rust.
