

CHAMP 2  
HEAVY DUTY DEGREASER

## DESCRIPTION

**CHAMP 2** is a concentrated degreaser designed for heavy-duty industrial applications. Its potent formula is specially formulated to tackle tough grease, oils, fats, industrial fluids, and waxes. Diluted with water, CHAMP 2 delivers exceptional cleaning power, making it an essential solution for industrial cleaning tasks.

## FEATURES &amp; BENEFITS

- Concentrated Power
- Grease Removal
- Surface Versatility
- Cost Efficiency
- Heavy-Duty Performance
- Quick Action

## RECOMMENDED USES

- Manufacturing Facilities
- Automotive Workshops
- Industrial Machinery
- Engine Parts
- Kitchen Equipment
- Warehouse Floors
- Metal Surfaces

## DIRECTIONS

1. Dilute CHAMP 2 with water according to the recommended dilution ratio based on the level of soiling and the surface being cleaned.
2. Apply the diluted solution onto the soiled surface, ensuring thorough coverage.
3. Allow the solution to dwell for a few minutes to penetrate and loosen the grease and oils.
4. Agitate the surface with a brush or scrubbing tool to enhance the cleaning action.
5. Rinse the surface thoroughly with water to remove the dissolved contaminants and residues.
6. For heavily soiled areas, repeat the process if necessary.

*For industrial use only. Refer to the product's Safety Data Sheet (SDS) for complete safety, handling, and first aid information.*

PROPERTIES	
Color	Yellow
Fragrance	Characteristic
Concentrate	Yes
pH	12-14
Density	1.02 - 1.06 g/cm <sup>3</sup>
VOC Content	Not available
PACKAGING	
4 x 1 gal	1680-4
1 x 5 gal	1680-5
1 x 55 gal	1680-55
DOT	
Proper Shipping Name	Liq. cleaning compound
Class	8
