

DUMPSTER DEODORIZER LEMONGRASS AND CHERRY

DESCRIPTION

DUMPSTER DEODORIZER is a spreadable corn cob-based air freshener and deodorizer formulated to eliminate offensive odors at their source while leaving behind a fresh lemongrass or cherry fragrance. Its biodegradable formula contains naturally derived Geraniol, providing the added benefit of helping discourage insects commonly attracted to odor-prone areas. Lightweight and easy to apply, DUMPSTER DEODORIZER is ideal for maintaining cleaner, fresher environments in and around waste collection and storage areas.

FEATURES AND BENEFITS

- **Neutralizes Offensive Odors** – Effectively combats odors caused by decomposing organic waste and other malodor sources.
- **Fresh Lemongrass Fragrance** – Leaves treated areas smelling clean and refreshed.
- **Naturally Derived Geraniol** – Helps discourage insects that are commonly attracted to waste and odor sources.
- **Easy-to-Apply Granules** – Lightweight corn cob carrier spreads quickly and evenly.
- **Biodegradable Formula** – Environmentally responsible ingredients for routine odor control programs.

DIRECTIONS

General Use – Pour or shake DUMPSTER DEODORIZER evenly over or around the area to be deodorized.

Trash Cans, Collection Bins & Dumpsters – Apply an even layer to the bottom of the container before use. Reapply after every 8–10 inches of accumulated waste. For maximum odor control, reapply after each collection service and keep lids closed whenever possible.

Garbage Trucks & Collection Carts – Scatter granules throughout truck beds, hoppers, and collection carts while empty. Reapply as needed to maintain odor control.

Available Sizes - Lemongrass

3155-4: 4x1 Gallon Shaker Jug

3155-5: 5 Gallon Pail

Available Sizes - Cherry

3153-4: 4x1 Gallon Shaker Jug

3153-5: 5 Gallon Pail

Properties

- **Appearance:** Orange / Granular
- **Odor:** Lemongrass / Cherry

DUMPSTER DEODORIZER is a spreadable corn cob-based air freshener and deodorizer. It's naturally derived Geraniol formula eliminates malodors and naturally repels pests around dumpsters, compactors, recycle bins, trash cans, and anywhere odor is a problem. **DUMPSTER DEODORIZER** is highly effective, biodegradable, and lightweight for easy application.

AREAS OF USE: Perfect for dumpsters, compactor rooms, recycle bins, trash cans, sewage treatment plants, landfills, garbage trucks, food service areas, offices, restaurants, hotels, and anywhere else odor is a problem!

DIRECTIONS

GENERAL USE: Pour or shake **DUMPSTER DEODORIZER** on or around area to be deodorized.

FOR TRASH COLLECTION BINS, CANS, OR DUMPSTERS: Spread **DUMPSTER DEODORIZER** evenly on bottom surface. Reapply with every 8 – 10 inches of trash added to container. Repeat after each service and keep trash lid closed for best results.

FOR TRUCKS AND COLLECTION CARTS: Scatter **DUMPSTER DEODORIZER** into truck beds and hopper when container is empty.

Do not put in food production areas. Keep container closed when not in use.

DUMPSTER DEODORIZER

SPREADABLE GERANIOL GRANULAR
AIR FRESHENER & DEODORIZER

LEMONGRASS

**ELIMINATES
MALODORS**

**DECAYING WASTE,
URINE, FECES,
HOSPITAL WASTE,
DECOMPOSITION,
AND MORE!**

KEEP OUT OF REACH OF CHILDREN
SEE SIDE PANEL FOR MORE DETAILS
Net Contents: 16 LBS

WARNING: Causes skin and eye irritation. May cause an allergic skin reaction. May cause respiratory irritation. Avoid breathing dust/fume/gas/mist/vapors/spray. Wash thoroughly after handling. Use only outdoors or in a well-ventilated area. Wear protective gloves.

FIRST AID: **IF ON SKIN:** Wash with plenty of water. If inhaled: Remove person to fresh air and keep comfortable for breathing. **IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Call a poison center/doctor if you feel unwell. Specific treatment (see on this label). Take off contaminated clothing and wash it before reuse. If skin irritation or rash occurs: Get medical advice/attention. If eye irritation persists: Get medical advice/attention.

CONTAINS (CAS#): Corn Cob Fractions (NA), Geraniol (106-24-1), Nerol (106-25-2).

HMIS® RATINGS: Health: 1; Flammability: 1; Reactivity: 0.
FOR INDUSTRIAL USE ONLY.
KEEP OUT OF REACH OF CHILDREN.
SEE SDS FOR MORE INFORMATION.
