

KLEENZOL

ALL-PURPOSE CLEANING CONCENTRATE

DESCRIPTION

Kleenzol is a versatile, dilutable, all-purpose cleaner. Kleenzol's specially formulated wetting agents soak into every surface pore to handle virtually any cleaning job to cut through grease and grime. Kleenzol's pH is the same as mild detergent so it can be used on any surface not harmed by water.

FEATURES & BENEFITS

- Cleans Like Magic
- No Scrubbing or Rinsing Required
- Cleans Virtually Any Surface
- Saves Time, Labor & Money

RECOMMENDED USES

- Wax Stripping
- Laundry
- Spot Removal
- General Cleaning

DIRECTIONS

- FOR WAX STRIPPING:** Dilute **Kleenzol** 1:4 in hot water. Apply solution liberally onto surface to be stripped. Let soak until wax softens (about 15 minutes). Mop the stripped wax. Scrubbing may be necessary for extremely heavy build-up.
- FOR LAUNDRY:** For stain, grease, and spot removal BEFORE laundering, dilute **Kleenzol** 1:4 with water. Spray on spot and let soak (about 5 minutes) before washing.
- FOR SPOT REMOVAL:** To remove spots and stains from carpets, rugs, upholstery, painted walls, vinyl surfaces, asphalt, and more, dilute **Kleenzol** 1:10 with water. Spray solution onto spot or stain. Agitate solution into the spot or stain and blot dry with a clean towel.
- FOR GENERAL CLEANING:** Dilute 1:10 with water. Perfect for surfaces such as bathroom tile, machinery, equipment, floors, screens, refrigerators, and any other surface not harmed by water.

PROPERTIES

Color	Brown
Fragrance	Mild
Concentrate	Yes
pH	10.0 - 11.0
Density	8.5
VOC Content	2.4

PACKAGING

12 x 1 qt	1148-12
4 x 1 gal	1148-4
1 x 5 gal	1148-5
1 x 15 gal	1148-15
1 x 55 gal	1148-55

DOT

Not regulated
