

# NU-SHINE

## HIGH GLOSS PROTECTANT WIPES

### DESCRIPTION

**Nu-Shine** is an easy-to-use wipe for use on hard surfaces. The active ingredients clean and renew the surface, while leaving a non-greasy barrier to protect from spills and UV Rays. No messy liquids to worry about and no spilling. Just pull out a premoistened towel, wipe the surface and you are done!

### FEATURES & BENEFITS

- Cleans-Seals-Rejuvenates... All in One Wipe
- No Greasy Residue
- Strong Formula
- Works on Most Hard Surfaces

### RECOMMENDED USES

- Plastic, vinyl, rubber and laminate
- Stainless steel, fiberglass and granite
- Treated leather
- Metal and Painted Surfaces

### DIRECTIONS

Remove one large towel from the container. Wipe the surface thoroughly using a circular motion.
