## SPRAY-A-JELL

JELLED ODOR CONTROL

### DESCRIPTION

**SPRAY-A-JELL** is a unique jelled deodorant specially designed to provide long lasting fragrance on horizontal, vertical, and irregularly shaped surfaces. Its slow releasing formula continuously provides fragrance for extended periods of time. Perfect for walls, floors, locker rooms, ceiling fans, trash receptacles, under sinks, around urinals, toilets and other non-porous surfaces. Simply shake and spray foul odors away!

**Available Fragrances:** *Orchard Spice, Fresh-N-Clean, Cool Breeze, Green Apple, Enzyme Spring Green, and Plumeria.*

### FEATURES & BENEFITS

- Sprays Like Liquid, Clings Like a Gel
- Long-Lasting Fragrance
- Controls Foul Odors
- Stays Where You Spray
- Works on Multiple Surfaces
- Versatile Application
- Easy to Use

### RECOMMENDED USES

- Locker Rooms
- Ceiling Fans
- Trash Receptacles
- Under Sinks
- Around Urinals & Toilets
- Walls & Floors
- Other Non-Porous Surfaces

### DIRECTIONS

1. Shake well.
2. Point towards area to be treated. Spray in a slow sweeping motion approximately 10-12" from surface.
3. Product will slowly evaporate over time while continuously releasing a pleasant fragrance. Reapply as needed.
