

## BRAKE REVIVE CHLORINATED BRAKE PARTS CLEANER

TB-52600000-00

### DESCRIPTION

**BRAKE REVIVE** is a non-flammable chlorinated brake parts cleaner with high solvency that effectively removes contaminants contributing to brake wear, squeaks, and chatter. Suitable for all types of brake assemblies, **BRAKE REVIVE** quickly eliminates brake fluid, grease, oil, road grime, and other harmful contaminants without the need for disassembling the brake unit. This fast-drying, residue-free cleaner helps extend the life of brake components and improves overall performance.

### DIRECTIONS

Remove or protect any rubber parts from overspray. Generously spray all other brake surfaces and allow powerful flushing action to rinse away contaminants. Permit surfaces to air dry or wipe dry with a soft, clean cloth. Extremely soiled assemblies may require repeat application or agitation. *NOTE: Do not use on plastic or painted surfaces.*

### FEATURES & BENEFITS

- Non-Flammable
- Residue-Free
- Degreases Instantly
- Dries Fast
- Improves brake performance and lifespan

### RECOMMENDED USES

- Brake Linings & Brake Pads
- Disc Brake Parts & Calipers
- Drums & Springs
- Cylinders & CV Joints
- Electric Motors & Starters
- Other Metal Surfaces

PROPERTIES	
Color	Clear, colorless to slight tint
Fragrance	Chlorinated solvent
Spray Pattern	Mist
Flash Point	Not determined
Dielectric Strength	Not determined
VOC Content	0%
Propellant	Yes
PACKAGING	
Can Size	20 oz
Net Weight	18 oz (510 g)
Extender Tube	No
Packaged	12 cans per case
Shipping Weight	17.12 lbs
REGULATORY	
Ozone Depleting Compounds	Yes
VOC Compliant	Yes
Recyclable Packaging	Yes

For industrial use only. Refer to the product's Safety Data Sheet (SDS) for complete safety, handling, and first aid information.
