

CHAIN and CABLE LUBRICANT FOAMING

TB-86500000-00

DESCRIPTION

CHAIN AND CABLE LUBRICANT is engineered to offer maximum protection for all types of wire ropes and chains. It deeply penetrates the strands of wire ropes, delivering exceptional lubrication without building up on chains, thus avoiding the attraction of dust or dirt. This ensures complete lubrication of rollers, pins, and bushings. Regular use of **CHAIN AND CABLE LUBRICANT** helps to reduce chain whip, vibration, and noise, while also offering protection against galling, seizing, and wear. This extends the lifespan of chain cables and sprockets.

Ideal for loosening rusted parts and lubricating wire cables, door hinges, chains, hoists, pulleys, cranes, forklifts, sprockets, gears, blocks and tackles, conveyors, construction machinery, industrial components, and locks.

DIRECTIONS

Application directions are not specified.

FEATURES & BENEFITS

- Foaming Action
- Fortified with Moly
- Deep Penetrating Action
- Prevents Corrosion

RECOMMENDED USES

- Wire Cables, Chains and Door Hinges
- Hoists, Pulleys, Cranes and Forklifts
- Sprockets, Gears and Blocks and Tackles
- Conveyors and Construction Machinery
- Industrial Components and Locks

PROPERTIES	
Color	Gray/Black
Fragrance	Oily Odor
Spray Pattern	Foam
Flash Point	Not determined
Dielectric Strength	Not determined
VOC Content	25.9%
Propellant	Yes
PACKAGING	
Can Size	20 oz
Net Weight	15 oz
Extender Tube	Yes
Packaged	12 cans per case
Shipping Weight	15.35 lbs
REGULATORY	
Ozone Depleting Compounds	None
VOC Compliant	Yes
Recyclable Packaging	Yes

For industrial use only. Refer to the product's Safety Data Sheet (SDS) for complete safety, handling, and first aid information.
