

NUKE 'EM TOTAL RELEASE ODOR CONTROL

TB-64000000-00

DESCRIPTION

NUKE 'EM is an exceptional product designed to effectively neutralize and eliminate all types of malodors. Its powerful formula targets and eradicates odors originating from urine, feces, decay, rancidity, animals, fire, tobacco smoke, cooking, marijuana, and other unpleasant sources. Each can of **NUKE 'EM** neutralizes and destroys odors in spaces up to 6,000 cubic feet, providing long-lasting freshness.

DIRECTIONS

DO NOT use more than one fogger per room. DO NOT use in small, enclosed spaces such as closets, cabinets, or under counters or tables. DO NOT use in a room 5 feet by 5 feet or smaller; instead, allow fog to enter from other rooms. Turn off ALL ignition sources such as pilot lights (shut off gas valves), other open flames, or running electrical appliances that cycle off and on (i.e., refrigerators, thermostats, etc.). Call your gas utility or management company if you need assistance with your pilot lights. Do not use this unit in an area less than 100 cubic feet.
