

PUNCH HEAVY DUTY INDUSTRIAL FOAM DEGREASER

TB-47000000-00

DESCRIPTION

PUNCH is an ultra-dense foam designed to provide long-lasting degreasing action, reaching deep into microscopic pores for a thorough clean. It not only deodorizes and leaves behind a fresh citrus scent but also combines natural cleaning properties with a robust, biodegradable foam. The thick, clingy foam sprays on with impressive force, ensuring an extended cleaning time and rapid, powerful grease dissolution.

DIRECTIONS

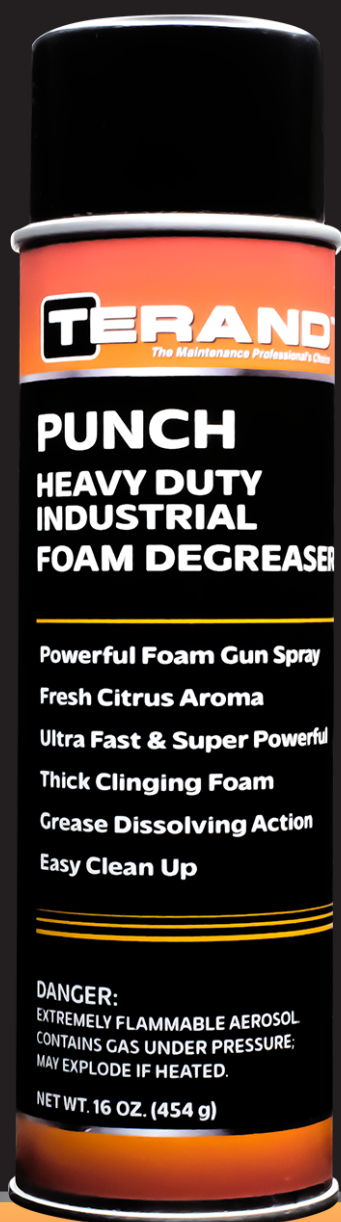

Shake well before using. For best results, spray directly onto soiled surfaces. Allow foam to remain on the surface for five minutes then flush with water or wipe clean. For heavy build-up allow foam to remain on the surface for several minutes prior to flushing or wiping. For thick encrusted build-up a stiff bristle brush may be required.
