

# TOP DOG ULTRA

## HEAVY DUTY DEGREASING WIPES

### DESCRIPTION

Formulated for maximum cleaning power without compromise, **Top Dog Ultra** wipes tackle the toughest grease, oil, and grime. VOC compliant in all 50 states and engineered for industrial and automotive environments, these powerful wipes clean without drying or irritating your hands, making them perfect for cleaning tools, work surfaces, machinery and equipment, as well as cabinets and tool boxes. Tough on grease, oil, lubricants, tar and asphalt, ink, glue and adhesives, **Top Dog Ultra** wipes are your go-to powerhouse for unbeatable cleaning performance—anytime, anywhere.

### FEATURES & BENEFITS

- Powerful formula
- 50 state VOC compliant
- Tough on grease and grime
- Gentle on hands
- Environmentally friendly and meets strict regulatory standards nationwide

### RECOMMENDED USES

- Tools and hand equipment
- Machinery and industrial equipment
- Work surfaces and benches
- Cabinets and toolboxes
- Grease, oil, lubricants, tar, and asphalt
- Ink, glue, and adhesive residues

### DIRECTIONS

For Initial Use: Remove lid and pull premoistened towel up from the center of the roll. Feed carefully through the center of the lid for individual dispensing and replace the lid on the container.

Be sure to replace center closure mechanism after dispensing each time to avoid the towels drying out prematurely.

*Always test on an inconspicuous area first. Not for use on computer screens. Take care not to scratch plastic surfaces.*
