

TOP DOG ULTRA

HEAVY DUTY DEGREASING WIPES

TECHNICAL DATA SHEET (TDS)

Item Number: 2650

DESCRIPTION

Formulated for maximum cleaning power without compromise, TOP DOG ULTRA wipes tackle the toughest grease, oil, and grime. VOC compliant in all 50 states and engineered for industrial and automotive environments, these powerful wipes clean without drying or irritating your hands, making them perfect for cleaning tools, work surfaces, machinery and equipment, as well as cabinets and tool boxes. Great for petroleum-based buildup and tough on grease, oil, lubricants, ink, glue, and more, TOP DOG ULTRA wipes are your go-to powerhouse for unbeatable cleaning performance—anytime, anywhere.

FEATURES AND BENEFITS

- Powerful cleaning action for industrial soils
- Effectively removes grease, oil, lubricants, ink, adhesives, and grime
- Gentle on hands—does not dry or irritate skin
- VOC compliant in all 50 states
- Convenient, pre-moistened wipes for on-the-go use
- Suitable for industrial, automotive, and maintenance applications

DIRECTIONS

FOR INITIAL USE: Remove lid and pull premoistened towel up from the center of the roll. Feed carefully through the center of the lid for individual dispensing and replace the lid on the container. Be sure to replace center closure mechanism after dispensing each time to avoid the towels drying out prematurely.

Always test on an inconspicuous area first. Not for use on computer screens. Take care not to scratch plastic surfaces.

RECOMMENDED FOR

Tools and hand tools
Machinery and equipment
Engine components and parts
Workbenches and work surfaces
Cabinets and toolboxes
Metal surfaces
Painted surfaces (test first)
Vinyl and rubber surfaces
Concrete floors and shop areas
Automotive parts and accessories
Manufacturing equipment
Maintenance and repair areas

PROPERTIES

Physical State	Wipes
Odor	Citrus
Appearance	White Fabric Wipes
pH	4.0 - 5.0

TOP DOG ULTRA

HEAVY DUTY DEGREASING WIPES

LABEL

Formulated for maximum cleaning power without compromise, **TOP DOG ULTRA** wipes tackle the toughest grease, oil, and grime. VOC compliant in all 50 states and engineered for industrial and automotive environments, these powerful wipes clean without drying or irritating your hands, making them perfect for cleaning tools, work surfaces, machinery and equipment, as well as cabinets and tool boxes. Great for petroleum-based buildup and tough on grease, oil, lubricants, ink, glue, and more, TOP DOG ULTRA wipes are your go-to powerhouse for unbeatable cleaning performance—anytime, anywhere.

DIRECTIONS

FOR INITIAL USE: Remove lid and pull premoistened towel up from the center of the roll. Feed carefully through the center of the lid for individual dispensing and replace the lid on the container. Be sure to replace center closure mechanism after dispensing each time to avoid the towels drying out prematurely.

Always test on an inconspicuous area first. Not for use on computer screens. Take care not to scratch plastic surfaces.

SELF-THREADING LID DISPENSING INSTRUCTIONS

1. Remove lid from canister. Lift flap in center of lid.
2. Insert loop through 'X' opening in lid.
3. Thread center wipe through 'loop.'
4. Pull 'loop' back through lid.
5. Replace lid, pull out exposed wipe and snap off towel.
6. Snap center flap down to keep towels moist.
