

WEED-BE-GONE

DESCRIPTION

Weed-Be-Gone is an EPA Registered solvent-based weed killer that combines the active ingredients 2,4-D and Bromacil, ensuring swift elimination of weeds and preventing their regrowth for up to a year. The innovative upside-down valve design facilitates effortless application, allowing the spray to be used even in inverted positions.

FEATURES & BENEFITS

- **Non-Selective Weed Killer:** Targets a wide variety of weeds without harming surrounding vegetation.
- **Rapid Top Kill:** Acts quickly to eliminate weeds from the surface down to their roots, ensuring thorough eradication.
- **Systemic Herbicide:** Penetrates deep into the plant's system, effectively preventing regrowth.
- **Special Upside-Down Valve:** Facilitates convenient application, allowing spraying in inverted positions for inaccessible areas or overhead use.

RECOMMENDED USES

- Industrial plants & loading docks
- Parking lots & storage yards
- Fence rows & tank farms
- Railroad sidings
- Residential homes & buildings

DIRECTIONS

1. Shake well before use.
2. Hold the container upright and spray directly at wasps, hornets, and their nests from a distance of up to 20 feet.
3. Do not apply directly to humans, pets, or food surfaces.

PROPERTIES	
Color	Clear
Fragrance	Mild
Spray Pattern	Inverted Spray
Flash Point	< 100 °F
Dielectric Strength	Not determined
VOC Content	27%
Propellant	Yes
PACKAGING	
Can Size	20 oz
Net Weight	16.5 oz (468 g)
Extender Tube	Not determined
Packaged	12 cans per case
Shipping Weight	16.30 lbs
REGULATORY	
Ozone Depleting Compounds	None
VOC Compliant	Not determined
Recyclable Packaging	Yes

For industrial use only. Refer to the product's Safety Data Sheet (SDS) for complete safety, handling, and first aid information.
